

# Young Reporters for the Environment

## YRE International Competition 2019/2020 – Photo Examples

Below are examples of the three photo categories according to the new criteria. Please note that the submissions have been slightly edited to serve as examples.

### Single photo reportage

#### The Secret life of the Market (Title max 140 characters)

A salesperson at the Miletičova Market put unsold, somewhat unsightly, potatoes in a box and left them on a shelf for people who needed them. In the past she had thrown them into the green waste bin, among rotten bits and pieces and leaves. Other vendors joined her, creating a beautiful link between people who do not meet, but still have a "secret alliance" with each other. (Introduction max 100 words)

*Mr Horváth often goes to the Miletičova Market after hours to collect unsold vegetables (caption max 20 words)*

### Single photo campaign

#### Stop sucking the life out of our oceans (Title max 140 characters)

(No introduction nor caption)

## Photo reportage consisting of 3-5 photos

### Climate Change – Looking back for a solution of today (Title max 140 characters)

On the 5th floor of an old HDB estate, two rows of plants line the sides of the balcony. This is where Mdm Siew Cheng tends to her garden every day, with scissors and a trusty spray bottle. She may not be a gardener, but her small garden is an example of responsible consumption. (Introduction max 50 words)

*II Mdm Siew Cheng and Her Mini-Garden (caption of max. 20 words)*

*III Watering System Installed for the Potted Plant (caption of max. 20 words)*

*IV Natural Fertilizer from Leftover Vegetables (caption of max. 20 words)*
